Westport man allegedly followed woman around

By Sophie Vaughan Updated 4:05 pm EDT, Monday, March 12, 2018

Westport resident James Lawrence was arrested in Westport on March 5 on charges of breach of peace.

WESTPORT — A Westport resident was arrested on charges of breach of peace after following a woman around a grocery store and then out to her car on Nov. 5, police said.

The victim told officers an unknown man followed her around Fresh Market on Post Road East and then outside, where he stood by the door of her car.

Police identified the man as James Lawrence, 52, and issued a warrant for his arrest. On March 5, Lawrence turned himself in to police. He was released after posting a \$5,000 court-set bond and is scheduled to appear in Norwalk Court March.14.

DISSECTING ARTICLE #1

This Article #1 shows the self-described “novice” (See Exhibit U) 22-year-old reporter is not qualified leading to her Article #2 bias and libel because the title “Westport Man Allegedly Followed Woman Around” itself is deceiving leaving the reader thinking there are multiple locations involved and a possible large time period instead of the less than 5 minute encounter. Proper news (See Exhibits V, W) correctly wrote “Westport Man Follows Woman Around Grocery Store, Out To Car, Police Say”. Hearst, owning multiple newspapers has over 5 articles with this deceiving Article #1 title peppering my internet profile. This deceptive title insinuates Stalking or Harassment which was NOT the case as Officer arrested me for One Count Second Degree Breach of Peace.

At least the Hearst young reporter used word “allegedly” in Article #1. She did not used the word “allegedly” in her Article #2 hit job “Police: Man Harassed Women for Years” WITHOUT ANY QUOTE FROM POLICE, only to deploy “allegedly” in Article #3 (See Exhibit L) thereby showing this reporter was not qualified. All details of the libel are written about after the article - PLEASE DO NOT MISS THE DISSECTION OF ARTICLE #2 and the ARTICLE #3.

Police: Westport man harassed women for years

Lawrence

WESTPORT – Local women haunted for years by a man they say would aggressively approach them at local stores and cafes are speaking out after his arrest earlier this month.

Westporter Wendy Chambers said after reading reports of the arrest of James Lawrence in the media last week, she wanted to come forward with her story.

Since 2002 Lawrence was logged by Westport police in 10 incidents where women felt harassed by him, but in each case, they felt afraid to pursue charges against him for fear of retaliation, according to court documents.

Lawrence has a record of arrests outside of Connecticut, including resisting arrest and fleeing/eluding police in Florida and, in California, he was charged with petty theft, theft of personal property, stalking, inflicting corporal injury to spouse and battery of a spouse.

Recounting her encounter, Chambers said a man introduced himself to Chambers at Westport Stop and Shop around 7:30 p.m. in January as James Laurentis and gave her a card with his alleged name and a link to an "obscure" website, she told the Westport News.

Biden continues South Carolina push

After leaving the Stop and Shop, Chambers said the man followed her to her car.

"He showed up in front of my car and scared the crap out of me. He said he wanted to go out with me and I said I didn't want to go out with him," Chambers said, adding, "He's a creep."

On Feb. 15 Chambers said she saw the man again at the Westport Stop and Shop in the evening and the following day at the Whole Foods Market in Norwalk around lunchtime. On both occasions, Chamber says she avoided the man.

Around the same time, Chambers' said her trainer told her a man tried to pick her up at the Whole Foods Market in Darien. Chambers showed her trainer the LinkedIn photo

associated with the business card of the man who followed her at Stop and Shop and the trainer confirmed it was the same man who followed her, Chambers said.

Chambers recognized the man in another photo, one published on the Westport News website on March 12 in conjunction with the arrest report for town resident James Lawrence.

"He's got a different name than on the card he gave me," Chambers concluded.

Lawrence, 52, was arrested on charges of breach of peace after he allegedly followed a woman around the Fresh Market on Post Road East and then out to her car on Nov. 5, police said.

Police issued an arrest warrant for Lawrence and on March 5 he turned himself in to police and was released after posting a \$5,000 court set bond. He is next scheduled to appear in Norwalk Superior Court on May, 4.

In court documents, Officer James Sullivan, who was charged with investigating the case, writes Lawrence is cited in 10 other incidents logged in the Westport case history from 2002 until present.

"In all of these complaints, Lawrence was seen following the complainants around a store or coffee shop and then following them out to their cars where he would either stare at them or get right into their personal space. In most of these cases, Lawrence was told his actions scared the complainants to the point of them calling the police," Sullivan wrote.

A criminal history search of Lawrence turned up no criminal history in Connecticut, but revealed Lawrence's arrests in Florida and California.

In the Nov. 5 case, the complainant would not provide a sworn statement for fear that Lawrence would find her and retaliate, Sullivan wrote. "I also learned that in all the nine other cases that the complainants all felt the same way. That they all feared for their safety and because of this were reluctant to provide statements," Sullivan wrote.

The number of cases involving Lawrence isn't surprising, Chambers said. After the March 12 article about Lawrence's arrest was published she dropped the article off at

the Whole Foods in Norwalk and said all the employees knew him. "A woman who saw me show the article to the manager said he's tried to pick her up twice at Darien Whole Foods," Chambers said.

DISSECTING ARTICLE #2 - THE BIG DEUCE

Special hit job before and after Due Processes of Law.

Police: Westport man harassed women for years

By [Sophie Vaughan](#)

NOT EVEN WRITTEN ALLEGEDLY HARASSED WOMEN ... !!!

ONCE AGAIN SHE DRAWS HER OWN CONCLUSIONS AFTER DUE PROCESS OF LAW.

FACT: POLICE NEVER DEPLOY THE HARASSING LANGUAGE IN THE ARREST WARRANT FOR OBVIOUS REASONS.

*WESTPORT — Local women **haunted for years** by a man they say would aggressively approach them at local stores and cafes are speaking out after his arrest earlier this month.*

“HAUNTED” WHILE I LIVED IN SAN FRANCISCO 2007-2017.

Westporter Wendy Chambers said after reading reports of the arrest of James Lawrence in the media last week, she wanted to come forward with her story.

This 58 year old busybody reading a news report has the right to persecute me from reading about me and after visiting the police who never even wrote a incident report or contact me of her shady (she was blacked out in News 12 report) feelings? And so goes the special subjective story and libelous hit job without a shred of proof of anything. **This one named woman** – Wendy Higgins Chambers - the one who never made a complaint to anyone – police, store manager, or me – at the time we had a 10-15 minute conversation in a market (9 months before arrest) and now without even an individual police report or resulting arrest of me from her visit to police after she went to News 12 accusing me of “**preying on women**” (resulting in News 12 scrubbing their “**outright false**” coverage of me “**arrested for stalking several women**”) and before she went to reporter Sophie Cecilia Vaughan at the Westport News. Yes, this sick busybody attempting to hurt me via the press who is without any police report or police action against me. Sick culture. This is a sick Guilt by Accusation culture affording men no rights before or after Due Processes of Law. Just believe the woman insanity that creates unjust snowball effects given feminine behavior traits.. **FACT: She never uses the word harass not even in her Affidavit (See Exhibit D).**

*Since 2002 Lawrence was logged by Westport police in 10 incidents where women **felt harassed** by him, but in each case, they felt afraid to pursue charges against him for fear of retaliation, according to court documents.*

FACT: This is not the language of any past incident report and the reporter is putting words in mouths of police and phantoms – no names and no interviews and no sworn written statements. Where is there evidence *they* (WHO) felt harassed let alone were actually **harassed** (see definition of **harass**) and worthy of a special story since these incidents are already investigated resulting in no arrest as the reporter knows (hence more malice).

Hearst knows since Deposition of Officer (See Exhibit I) that this “*afraid to give statements out of fear of retaliation*” is police misconduct for not one Incident Report relative to any woman documents this lie (See Exhibit B). Hearst declined my generous Offer after Deposition of Officer Sullivan to take down this lie and now I am suing the police as well.

Lawrence has a record of arrests outside of Connecticut, including resisting arrest and fleeing/eluding police in Florida and, in California, he was charged with petty theft, theft of personal property, stalking, inflicting corporal injury to spouse and battery of a spouse.

This is a doxxing fiasco and utter failure to distinguish between arrests/charges and convictions. HYPING ALREADY DUE PROCESS OF LAW INTO SOMETHING IT WAS NOT – Any conviction of anything here? FACT – MY ONLY CONVICTION CAME FROM A 1996 DOMESTIC VIOLENCE CHARGE (See Exhibit E - FBI Background Check). Why is reporter choosing to report on an arrest record without sharing necessary results in tune with Exhibit E and H - Redaction Polices? Answer – malice – agenda driven bias let alone stupidity/incompetence/arrogance. Reporter clearly is reckless by insinuating these arrests were criminal, let alone past KNOWN closed cases never resulting in arrests as if they were criminal. Reporters if they dare to go beyond a Official Police Press Release (See Exhibit A) best know a few things about warrants, police procedures, let alone subjective language. AND AS I SHOW IN EXHIBIT L, ARTICLE # 3 REPEATS THIS ARREST RECORD DEVOID OF CONVCTION RECORD WITH WARRANT NOT MENTIONING THESE PAST ARRESTS ALL THE WHILE SAME HEARST REPORTER HAVING A YEAR TO DO SOME HOMEWORK AND KNOWING OF THE MISTAKE FROM CORRESPONDENCES.

"Recounting her encounter, Chambers said a man introduced himself to Chambers at Westport top and Shop around 7:30 p.m. in January as James Laurentis and gave her a card with his alleged name and a link to an "obscure" website, she told the Westport News."

Harrasmentt? Why is this obscure website (my writings on many topics much political) mentioned?

After leaving the Stop and Shop, Chambers said the man followed her to her car. "He showed up in front of my car and scared the crap out of me. He said he wanted to go out with me and I said I didn't want to go out with him," Chambers said, adding, "He's a creep."

Utterly false description of our 10-15 minute conversation in a market 9 months before where there was no complaint to store manager, no complaint to police, or even no complaint to me for she had my contact information. Reporter fails to vet this whacked old woman and do a proper fair and balanced research – like interview me – to write some detailed facts. Police did not see her story as worthy of anything – no police report of this woman (See Exhibit H) not even a call to me, so why is this reporter jumping on this wicked women's persistent slander. Even News 12 reporter Mark Sudol who ambushed me at my very home, interviewed me before his "outright false" coverage. Where was reporter Sophie Cecilia Vaughan? This madness at worst was a one-time contact that never falls under any definition of any crime so how is this woman the motivating and chief ONLY NAME/QUOTES/witness to a hideous agenda-driven story on "harassing women for years" without a shred of proof of any **harassment** after investigations? FACT: SHE WAS NOT **HARASSED**. And there are a lot of alleged "creeps" in the world so why this crazy special deuce story before and after Due Processes of Law?

On Feb. 15 Chambers said she saw the man again at the Westport Stop and Shop in the evening and the following day at the Whole Foods Market in Norwalk around lunchtime. On both occasions, Chamber says she avoided the man.

Once again showing I never approached her another time so why the fuss? This veritable Nasty

Woman MeToo wannabe is looking for attention going to the media and persecuting me devoid of any **harassment**. Reporter Sophie Cecilia Vaughan knows nothing about this person and together they slander and defame me a hippie at worst via some sick knee-jerk extreme feminist ways that are part of the sick time – 2018 - after the election of President Trump where women march against **sex harassment** yet my history with incident reports let alone the sole arrest had nothing to do with **sex harassment or harassment** of any kind and I am being conflated with this persecutory zeitgeist. Once again - WHERE IS THE **REPEATED OR PERSISTENT OR MORE THAN ONE CONTACTS AFTER WARNING AKA “HARASS”**.

See ALL Exhibits .

Around the same time, Chambers’ said her trainer told her a man tried to pick her up at the Whole Foods Market in Darien. Chambers showed her trainer the LinkedIn photo associated with the business card of the man who followed her at Stop and Shop and the trainer confirmed it was the same man who followed her, Chambers said.

WHO? Gossip about “picking people up” – hardly **harassment** or proof of veritable **harassment descriptions**. Where are other women – **names and quotes**?. Still one woman – Wendy Higgins Chambers a woman who visited police BEFORE she visited Westport News and a woman with no individual police report. This is just an utterly unjust and sick time of Guilt by Accusation – a title of a recent book by Harvard law professor Alan Desrshowitz.

Chambers recognized the man in another photo, one published on the Westport News website on March 12 in conjunction with the arrest report for town resident James Lawrence.

Yes reading **Article #1** – “Westport Man Allegedly Followed Woman Around”, that gives the reader the feeling of multiple locations while other more competent media reported in tune with the Official Police Press Release as “Man Allegedly Followed Woman at Local Market”. This obviously mentally imbalanced woman after reading this before Due Process of Law then makes a beeline to News 12 of all places (really!) and not the police. News 12 proceed to commit slander and libel aka “outright false” reporting of **“stalking several women” and “preying on women”** (scrubbed from their websites 2 days later) SHE THEN KNOWING THAT NEWS 12 TOOK DOWN THEIR FALSE REPORTING AND KNOWING I AM ALREADY DAMAGED FROM THEIR REPORTS MALICIOUSLY SEEKS ANOTHER MEDIA SOURCE – WESTPORT NEWS AND 21 YEAR OLD FEMINIST REPORTER SOPHIE CECILIA VAUGHAN FOR CHAMBERS TO PUSH HER SLANDER BY SHARING THE DUBIOUSLY ASCERTAINED ARREST WARRANT AGAINST POLCIE REDACTION POLICIES. THE WESTPORT NEWS JUMP AT THIS **KNOWING I WAS ALREADY HARMED**. WHO DOES THIS? THIS IS OBVIOUS MALICE. ALL BEFORE DUE PROESS OF LAW AND AFTER DUE PROCESSES OF LAW – MY PAST ARREST AND CONVICTION RECORD.

“He’s got a different name than on the card he gave me,” Chambers concluded.

It is called a pen name. An interview with me could have cleared that up too.

Lawrence, 52, was arrested on charges of breach of peace after he allegedly followed a woman around the Fresh Market on Post Road East and then out to her car on Nov. 5, police said.

YES A ONE TIME CONTACT (NOT REPEATED OR PERSISTENT) to which is the only proper story to report on as all media did 2 weeks before. Respect and allow for Due Process of

Law and have some respect for Presumption of Innocence (which I was eventually found to be – [innocent of Second Degree Breach of Peace](#)) AND NOT SOME SPECIAL HIT JOB WITH NO PROOF AND NEVER CAN BE ASCERTAINED PROOF. NO. We are in a sick time where women are persecuting men via the media – GUILT BY ACCUSATION. Just believe the woman nonsense. And here we have a man meeting women at markets in Westport and only Westport (no other incident report from anywhere else in the world) WITH NOT ONE VIDEO CAM OF ANY “[HARASSMENT](#)” - NO EVIDENCE AT ALL CONFIRMED BY OFFICER DEPOSITION ALL THE WHILE BEING CONFLATED WITH [SEX HARASSMENT](#) METOO ZEITGEIST. UTTER SICK PERSECUTIONS WITH NUMEROUS ONGOING DAMAGES.

Police issued an arrest warrant for Lawrence and on March 5 he turned himself in to police and was released after posting a \$5,000 court set bond. He is next scheduled to appear in Norwalk Superior Court on May, 4.

Yes this is all that should have been reported like all other media did at the time of the arrest - “[Man Arrested for Allegedly Following a Woman at a Market](#)”. ALL OTHER MEDIA LEFT THE WARRANT ALONE AND ALLOWED PROSECUTORS, JUDGES AND POTENTIAL JURY TO SORT OUT THE POLICE INFORMATION THAT AS A “MATTER OF PRACTICE REDACTED FROM RELEASE” (See [Exhibit H](#)). Yes a low-end charge and need for allowing Due Process of Law of this one-count of [Second Degree Breach of Peace](#) for as Arrest Warrant states “*following and getting into personal space*” and not any count or counts (women) of [Harassment](#) (actual crimes in the statutes) or anything in my past – THE KNOWN NO CRIMINAL RECORD IN CT .AS WARRANT CLEARLY STATES.

FACT: POLICE NEVER DEPLOY THE [HARASSING](#) LANGUAGE IN THE WARRANT FOR OBVIOUS REASONS AND CAREFULLY CHOOSE THEIR WORDING SO TO SHOW THERE WAS NO VERBAL BADGERING OR REPEATED CONTACTS AFTER WARNINGS.

In court documents, Officer James Sullivan, who was charged with investigating the case, writes Lawrence is cited in 10 other incidents logged in the Westport case history from 2002 until present. “In all of these complaints, Lawrence was seen following the complainants around a store or coffee shop and then following them out to their cars where he would either stare at them or get right into their personal space (FYI unproven and unprovable). In most of these cases, Lawrence was told his actions scared the complainants to the point of them calling the police,” Sullivan wrote.

If this reporter left well enough alone with [Article #1](#) she would then learn through Due Process that there is not one video or any evidence of anything criminal from the past despite all markets wired inside and out AND OF COURSE THE RESULT OF THE ARREST – NOT GUILTY. She had no business doing this special article **KNOWING** I CAN NEVER BE ARRESTED AND CHARGED AND CONVICTED OF WHAT SHE WRITES ABOUT – ALLEGED PAST INCIDENTS - LEAVING THE PUBLIC UNINFORMED OF ALL THE ESTABLISHED AND NEVER ESTABLISHED TRUTH ([See Exhibit B](#)).

*A criminal history search of Lawrence turned up no criminal history in Connecticut, **but** revealed Lawrence’s arrests in Florida and California.’*

Reporter KNOWS I have no criminal record aka never arrested in Ct. the area (Westport and

only Westport) of alleged case known closed incidents WITH NO NAMES, NO QUOTES, NO CAMERA FOOTAGE (all alleged incidents at markets), NO EVIDENCE AT ALL yet this Hearst reporter goes on to report as if there was **harassing** behavior despite these alleged incidents were **fully investigated resulting in no arrest cases known to be long closed** with statute of limitations in effect.

FACT: THESE INVESTIGATIONS AND RESULTING NO POLICE ACTION ARE MORE CONCLUSIVE THEN COMPLAINTS WOMEN MAKE VIA THE MEDIA FREE OF POLICE INVESTIGATIONS. HERE YOU ACTUALLY HAVE INVESTIGATIONS ALREADY DONE.

She knows there was no criminal behavior after investigations. “.... **but** ...” goes on to then attempt to portray past arrests as if they are criminal – to which only one was – 1996 Domestic Violence. **Here this reporter is obviously trying to convey that there was criminal behavior from past arrests.**

*A criminal history search of Lawrence turned up no criminal history in Connecticut, **but** revealed Lawrence’s arrests in Florida and California.*

SEE FACTS AT **EXHIBIT E** ON CRIMINAL PAST OR LACK OF CRIMINAL RECORD. REPORTER BEGS THE ISSUE WITH “**BUT**” BECAUSE OF THIS REPORTER I HAVE TO CARRY FBI DOCUMENTS OF MY ONE CONVICTION AND EVERY TIME I AM PROFILED HAVE TO HOPE THE PROFILERS WILL DO THE FURTHER RESEARCH TO CLARIFY THE CONFUSIONS WHICH THEY NEVER DO!!!

In the Nov. 5 case, the complainant would not provide a sworn statement for fear that Lawrence would find her and retaliate, Sullivan wrote. “I also learned that in all the nine other cases that the complainants all felt the same way. That they all feared for their safety and because of this were reluctant to provide statements,” Sullivan wrote.

This is utter lies and never documented in any past Incident Report yet still it is not my fault not one ghost pressed a charge on me .**Police did not have a woman pressing a charge on me for the March 5, 2018 arrest** so they never needed a woman to press charges in the past to arrest me. I was not arrested because there was no probable cause for any crime especially **harassment**. **Hearst knows of this police corruption** as of Feb. 22, 2021 Deposition (See Exhibit I).

Once again a seasoned and experienced reporter would see the inconsistencies and refrain from begging the issue before and after Due Processes of Law but this reporter has her own libelous ways being totally drunk and enraptured with the current MeToo zeitgeist. I DID NOT NEED A SWORN WRITTEN STATEMENT AGAINST ME TO BE ARRESTED AS EVIDENT IN THE MARCH 5, 2018 ARREST SO ANY ALLUSION TO PAST INCIDENTS NOT BEING ARRESTED BECAUSE OF NO PRESSING OF CHARGES IS NONSENSE AND NOT MY FAULT IN ITSELF. The reporter should have interviewed the officer to get more perspective.

The number of cases involving Lawrence isn't surprising, Chambers said. After the March 12 article about Lawrence's arrest was published she dropped the article off at the Whole Foods in Norwalk and said all the employees knew him. "A woman who saw me show the article to the manager said he's tried to pick her up twice at Darien Whole Foods," Chambers said.

I am not banned from Whole Foods Norwalk and in fact management and workers are on my side over this fiasco. I will be submitting letters from workers from these markets as to my proper deportment while being a consistent customer. I was not banned from Darien Whole Foods either! ONCE AGAIN, "number of cases" long gone closed and NEVER CAN BE PROVED OF ANYTHING so what gives this reporter the right to report on me as **harassing** against any conclusions from the police investigations of 6 completely harmless past run ins with Westport women and only Westport women in 55 years.(See Exhibit B)

FACT: FROM 2007-2017 I LIVED IN SAN FRANCISCO SO GO SCROUNGE THE POLICE RECORDS AND SEE IF THERE ARE ANY **"HAUNTINGS FOR YEARS"** THERE.

FACT – THERE ARE NO OTHER INCIDENTS ANYWHERE ELSE IN FAIRFIELD COUNTY, NEW YORK CITY TO WHERE I VIST EVERY WEEK, CALIFORNIA, NATION AS A WHOLE, AND EUROPE AS WELL. ALL ARE IN SNOWFLAKE TOWN WESTPORT.

Did Officer Sullivan write or say "harassed" women? NO. WE NEED A TRIAL TO CLEAR UP THE CONFUSION.
